

# Parent Consent Form and Release of Liability Physical Project

This document is to be read, discussed with the student, and filled out by the parent or legal guardian.

As the parent/guardian of \_\_\_\_\_ who is a student enrolled at Bonita High School, I am aware that my son/daughter must pass all phases of the Senior Project to pass his/her senior English class. For the Physical Project, my son/daughter has decided to:

Below I have briefly described what my student needs to do in order to complete the above Physical Project:

---

I fully understand that the selection of the Physical Project is a decision made independently but with the approval of the staff and the administration of the high school. All consequences of the Physical Project work choice, production, or experience, unless otherwise stated, rest solely with the student and the parent. I also realize the Physical Project must in some way be related to the Research Paper and demonstrate a "learning stretch."

I realize that working on the Senior Project may entail travel. We, the parent/guardian and student, agree to and do hereby indemnify and hold harmless the District, their officers, agents, employees, and volunteers from any claim or demand made, and every liability, damage, or expense, of any nature whatsoever, which may be incurred by reason of any travel which is part of the Senior Project activities.

The student and parent/guardian whose names are signed below, accept full financial and legal responsibility for any cost or travel and the conduct of the student.
